WHAT PEOPLE ARE SAYING....

“WinShape Camps for Communities is the best experience for any child. It’s relevant, reachable, and teachable; and beyond a blast for the kids. You can’t find a greater value in summer camps. The families of my ministry still talk about it and can’t wait for next year. I whole heartedly recommend WinShape Camps for Communities.”
Christopher Gooding (Children’s Pastor, Church at the Mall - Lakeland, FL)

“The summer experience with WinShape Camps for Communities exceeded all expectations. Our family, our store, and our community were all transformed by the quality and commitment of the WinShape Camps for Communities staff. The entire team brought tireless energy to the week through excellent programming, solid biblical truths and simple turnkey operations. We can’t wait until next year!”
Rob Rogers (Chick-fil-A Owner/Operator/Parent - Charlotte, NC)

“I only intended to volunteer to notarize forms at camp. I would have missed so much if that is all I would have done. I was overwhelmed at how smooth the camp ran, how organized you all were, not to mention that you shined with the Spirit all week. What an experience, what a blessing!”
Camper’s MeMaw – Texas

In 1985 WinShape Camps began with one man’s dream to shape tomorrow’s leaders. S. Truett Cathy of Chick-fil-A put his dream into motion by creating a camp experience that was focused on challenging young people physically and spiritually. Now, decades later, that dream continues to shape young people through summer camps that are out of this world.

In 2008, WinShape Camps for Communities launched. The values and vision of WinShape Camps can now be shared with children and their families through day camps held in local communities across the country.

At WinShape Camps, we are in relentless pursuit of the ultimate camp experience; one that challenges campers to sharpen their character, grow in their relationships, and deepen their Christian faith.
